

# WE'RE ALL ABOUT THE RANGE

## FingerSafe® Sectional Door Range

Centurion Garage Doors is an Australian owned family business that has specialised in the manufacture of Garage Doors since 1976. With manufacturing facilities in Western Australia and Queensland, Centurion custom makes all doors to fit precisely to each garage opening. Centurion only uses genuine Colorbond® steel to ensure you get a look that lasts. Centurion's Sectional Overhead Doors feature innovative FingerSafe® design and Centurion's exclusive Nylon Polymer Hinge designed to ensure a safer, quieter, low-maintenance door.

The Colorbond® BlueScope® steel colour swatches and images shown have been reproduced to represent actual product colours as accurately as possible. However, we recommend checking your chosen colour against an actual sample of the product before purchasing, as varying light conditions and limitations of the printing process may affect colour tones. To determine the most suitable material for your project, please contact Centurion Garage Doors. Colorbond®, BlueScope®, and colour names are registered trademarks of BlueScope Steel Limited™. FingerSafe logo, Centurion Garage Doors logo and the words FingerSafe® and Centurion® are registered trademarks of Centurion Garage Doors Pty Ltd.
